My name is Otis Gorman brother of Hyron Gorman. I just want to let you know if you would give my brother a second chance. He really misses his kids and mostly his job. That's all he wants to do is go back to work and to be there for his kids. My brother Hyron is a really good person and I know he would do good if he will ever be released. Because he has never done anything wrong all of his life, he was always a good person and loves taking care of his kids and being there for his family and friends. I love my brother and I know him well. God bless you and Thank You for your time.

My name is Cecelia Yazzie Mother  
of Hyron Gorman and Lewis  
Gorman father of Hyron Gorman  
I want to describe my son to  
you so you will have an idea  
for my son.

First of all, Hyron has three  
beautiful children who are the  
age of nine years old, eight years  
old and a one year old. He is  
the sole provider of his without  
any help from their mother.

Hyron also spends all of his free  
time with them which they are  
use to their dad. The kids depend  
on their dad for everything, so I  
am asking for you to help my son  
stay with his children.

Second of all my son has been working for fifteen years at Sonic in Gallup, NM. He is one of their hard working, dependable and friendly worker. Hyron rarely calls off but is needed at work to come in to show more hours for his children. He also gets along with his Co-workers and supervisors. Once again, I am asking you Mr. Looman to please help my son to stay with his children and to keep him working.

Overall, my son, Hyron is not a troublemaker. He is the kindest person to his family, relatives and friends. This whole case is just surreal, all of his family and I can't believe a person like Hyron is getting this blame. I am asking for your help Mr. Looman to have our son father, brother, uncle, friend, to come home and continue to be the loving person he is. Also to have him come home to continue being the father

is he to his children, and than  
my son he help his dad at  
home chop woods and help him  
with some other things.

God Bless you! Thank you! in  
advance.

Sincerely,

Louis Lavern

To Whom It May Concern:

RE: Hyron Gorman

This letter is in regards to Hyron Gorman. I Jennifer Pino am the Auntie to Hyron Gorman. Hyron is the father of 3 beautiful children; 2 girls and 1 boy. Hyron is the oldest of his siblings of 2. He has 1 sister and 1 brother. Hyron also has a mother Cecelia and his father Lewis. Hyron resides with his parents, siblings and children.

Hyron is the sweetest person I know. He will never harm a soul. Hyron is a quite shy type of person. It's very heart breaking of what he is going thru. Hyron has always been the dependent, hardworking nephew I know. He provides for his children and helps out his parents with food and paying bills. Hyron is loving to his family. We as a family love and adore him.

It saddens us as a family he is being blame for a major crime he did not commit. Where are the other 3 people that were there at the time of the incident? Why was my nephew Hyron blamed? At the time of his arrest with Navajo Nation Police, Hyron's mother Cecelia and father Lewis seen in witness that the mother to the victim knew the arresting officer, that's why the other 3 people weren't arrested. Hyron was trying to help the victim from the attack from the victim's older brother. Hyron was breaking up a fight. All he did was try to help instead he got blamed. We as a family know; the victim's brother is the one who is at fault, he's always fighting and hurting his brother. I hope you all investigate the victim's older brother and talk to him more. My nephew's life is on the line. My nephew has children he has to take care of.

Please I beg of you my nephew Hyron Gorman is innocent. I thank you for reading my letter.

Sincerely.

Jennifer Pino
